3. MINUTES OF LAST MEETING.

These had been sent to all secretaries prior to meeting, and were accepted as true and correct.

4. MATTERS ARISING.

No Matters Arising.

5. SECRETARY/MATCH SECRETARY REPORTS

The secretary found out, after all handbooks had been printed, that Poynton Sports have a number of fixture clashes with the Stockport league. As a result, some fourth division fixtures have changed. This currently affects **Lyme Green C, Drum & Monkey C, Packhorse E and Poynton Workingmen's C**. The secretary included a number of inserts in the folders of the clubs affected, so all players on the team and all revised fixtures will be posted to the website that week. There were still five fixture clashes where Poynton will be in touch with the clubs affected to arrange when the games are played.

Mark apologised for the smaller number of results cards which had been printed for Division Three; while a sufficient number for all home teams to fill in the results, there were not enough for away teams as well. If more were required, the secretary would approach Graeme Foster to print them. He showed everybody the new cards, with the address printed on the back, so all that was required was a stamp – no need for envelopes any more. Fixture lists had been sent to all clubs and were live on the website.

Scorecards were available on the night, arranged by Andrew Smith Funeral Services, who the secretary again thanked for their support.

Tony Bryning is trying to organise a Macclesfield Bowls Development Group, which the secretary supports. Further details would be made available in due course.

The match secretary advised he was still awaiting a few graded players lists, although he had received a few and might be expecting some more during the meeting. No other issues to report.

6. TREASURERS REPORT.

Harvey advised there was over £3,000 in the bank, and that the majority of clubs had already paid their dues, but seven clubs were yet to send in their league fees and a couple of clubs had requested additional handbooks that they would be charged for.

7. COUNTY DELEGATES REPORT.

Eddie advised again that he would be retiring from the role as our representative this year. Chris Raddy was also stepping down as Cheshire secretary and would be willing to assist anybody who would be looking to step forward into the role. There were no other issues directly affecting the Macclesfield Association.

8. A.O.B.

None.
